

Newfoundland & Labrador

A grand journey through the historic fishing villages, archaeological sites, Viking settlements, and vast remote landscapes of Canada's most easterly province.

JOHNS HOPKINS
UNIVERSITY

Dear Alumni and Friends,

Join us on this epic adventure to discover Newfoundland and Labrador—Canada's most eastern province, and one with a rich history dating back some 9,000 years. Along with its majestic natural beauty and welcoming locals, this region has much to offer.

Set out on a boat tour around St. John's to spot for iconic puffins and a variety of whale species. Follow in the footsteps of early explorers like Leif Erikson and his Viking crew, whose village at L'Anse aux Meadows is now a UNESCO World Heritage Site. Explore the diverse landscape of Gros Morne National Park—spanning nearly 700 square miles—highlighted by vast tablelands, deep fjords, and striking colorful cliffs. Visit the historic whaling village of Red Bay and learn of its archaeological wonders. And visit with friendly residents who are proud to call this quaint province home.

With an expert Expedition Leader and knowledgeable local guides, you'll explore this remote yet important area, where a history of strength and perseverance helped shape the diverse cultures and economic fortunes of the province.

Space is limited. With significant savings of more than \$600 per couple, we anticipate this tour will fill quickly, so be certain to reserve your spot today and share this brochure with family and friends who may be interested in traveling with you.

Reserve today online at <http://jhu.orbridge.com>, by phone at (866) 639-0079 or by returning the enclosed reservation form.

Sincerely,

A handwritten signature in cursive that reads "Marguerite Jones".
