COMMONLY ASKED QUESTIONS & ANSWERS:

Who can apply for a Student Grant?
Organizers of projects promoting student involvement may apply for funding. Funding for projects that involve only one student will not be considered.

What is the Student Grant?
The Alumni Association’s Student Grant program provides funding opportunities for student groups and programs that enhance the overall Johns Hopkins student experience culturally, educationally, and professionally that benefit and involve students from all university divisions. This also includes activities that help students create volunteer community service projects or design ventures within existing volunteer organizations. In addition to enhancing the student social experience, grants are offered that support volunteer experiences for students and foster positive relationships between the university and the local community.

When are the application deadlines?

If the details of the project change, you must submit a copy of the changes to the committee at alumni@jhu.edu and await approval before project modification.

Are there funding guidelines? Yes.

- The maximum amount for a funding request is $1500.
- Applicants must be enrolled as students at one of the nine schools of the University during the period of the project. Seniors are eligible for grants during the summer immediately following graduation.
- A project that is a required part of the curriculum and/or is receiving academic credit is NOT eligible for funding.
- Any project for which participating students will receive wages, salaries, or a stipend is NOT eligible for funding.
- All projects MUST have a faculty or administrative monitor. Peers and/or persons with no University affiliation cannot be project monitors.
- Preference will be given to those applicants who seek other sources for funding.
- The Alumni Association must be acknowledged on all material at the event.
- All requested documentation and signatures must be included with the application.
- Two progress reports must be submitted: a mid-point update and a final report.
