Normandy, from the coast to the rolling pastures and orchards of Normandy, is a region rich with history, architectural landmarks, charming towns and culinary delights. Monet, the Impressionist painter, was inspired by the shifting light that illuminated his gardens at Giverny, and Monet himself was drawn to the New World. Here the landscape and the French Proverb “HOPE IS THE DREAM OF A ROLLING PASSAGE” perfectly encapsulate the essence of Normandy, from the coast to the heart of the region.
