June 20 to 30, 2014
Dear Alumni & Friends:

We invite you to join us on this Great Journey through Europe, a trip of a lifetime and opportunity to recreate a portion of the traditional 17th-, 18th-, and 19th-century “Grand Tour.” Travel through four countries and the western heart of the Continent on this carefully planned, exclusive itinerary. Cruise through the Dutch polder land, reclaimed from the North Sea, and the fairy-tale beauty and UNESCO-designated section of the Rhine River, experience three of the world’s legendary railways and visit four more important UNESCO World Heritage sites.

The exclusively chartered, deluxe M.S. AMADEUS ELEGANT, one of the finest ships sailing Europe’s waterways, provides our accommodations en route from Amsterdam, The Netherlands, to Basel, Switzerland. Port calls along the way include Cologne, Koblenz, Rüdesheim and Mannheim for Heidelberg, Germany, and the lovely Alsatian city of Strasbourg, France, a fusion of both French and German cultures.

From Basel, travel overland through the verdant countryside of Switzerland. Stop in the medieval gem of Berne and in Interlaken, scenically situated near the magnificent Bernese Oberland Alps. In Zermatt, marvel at the iconic Matterhorn as you travel aboard the Gornergat Bahn, the country’s oldest cog railway. Then, cross the mountainous backbone of Switzerland aboard the celebrated, ingeniously engineered Glacier Express, and spend two nights in lovely Lucerne in the Five-Star HOTEL SCHWEIZERHOF, where glorious panoramas surround you.

Please join us on this extraordinary Great Journey through Europe, an excellent value with all accommodations and excursions included. We encourage you to reserve now as capacity is limited, and year after year, this program sells out quickly! Early Booking Savings are available only through January 10, 2014.

Cordially,

U.S./Amsterdam, The Netherlands
Day 1 and Day 2
Depart the U.S. for Amsterdam. Following your morning arrival, enjoy a private cruise along Amsterdam’s delightful canals lined with 16th- and 17th-century gabled row houses, which have been designated a UNESCO World Heritage site. Embark the ship and join fellow participants this evening for the Captain’s Welcome Reception and Dinner.

Cologne, Germany
Day 3
Enjoy the morning while cruising along the picturesque Rhine River.
One of Germany’s most ancient cities, Cologne was founded as a Roman military outpost in 38 B.C. From the time of Charlemagne to present day, it has flourished as the Rhineland’s foremost mercantile and religious center and is the birthplace of the original world-famous Eau De Cologne perfume. Explore the Altstadt (Old Town) and visit the historic Köln Dom (cathedral), a UNESCO World Heritage site and the finest example of High Gothic architecture in Germany; construction began on the cathedral in 1248 and lasted for six centuries. Among its artistic treasures are the Milan Madonna and the Shrine of the Three Holy Kings.

Koblenz/Rüdesheim
Day 4
Go ashore this morning in Koblenz, where Germany’s Roman past dates to nine B.C., during the reign of Augustus Caesar, when it was strategically established at the confluence of the Rhine and Moselle Rivers. From the famous Deutsches Eck (German Corner), enjoy a view of the impressive 19th-century fortress of Ehrenbreitstein, once the residence of the powerful Archbishop-Electors of Trier. The twin-towered Basilica of St. Castor, built between the ninth and 13th centuries, features the Rhineland’s distinctive Romanesque architecture.
Cruise through the spectacular Rhine River Valley, a UNESCO World Heritage site, legendary for its scenery and riverside architectural treasures. Be on deck for a front row view of the steep terraced vineyards rising on the slopes of the riverbanks. With each bend in the river, a medieval castle crowns the crags and a tranquil village nestles along its banks. See the famous Lorelei Rock—legend holds that a beautiful siren lured sailors here with her enchanting song.
Dock in the medieval town of Rüdesheim, the heart of Germany’s wine country. Enjoy a tour aboard the unique Winzerexpress mini-train, traveling through bucolic countryside vineyards and passing historic castles, followed by a private tasting of German wines.
Reboard the ship and cruise through the Rheingau, Germany’s most famous wine-growing region, known particularly for its Riesling.

Mannheim for Heidelberg
Day 5
This morning, from Mannheim, transfer to Heidelberg, where luminaries such as Goethe and Schumann came to experience the intellectual atmosphere of Heidelberg University, Germany’s oldest, founded in 1386. To many on the “Grand Tour” of Europe, fashionable in the 17th, 18th and 19th centuries, Heidelberg epitomized Germany, nestled in the densely wooded valley of the Neckar River and alive with the spirit of German Romanticism. Heidelberg has preserved its authentic Renaissance-Baroque character, including...
the eight remaining arches of the famous Alte Brücke (Old Bridge) that span the Neckar River. Visit imposing Heidelberg Castle, a magnificent, 13th-century edifice perched above the river. The stately ruins preserve Heidelberg’s links to its medieval past.

**Strasbourg, France**  
**Day 6**  
The lively Alsatian city of Strasbourg fuses the Old and New Europe. The Old City, a UNESCO World Heritage site, is a treasure trove of medieval houses, and the charming Ponts-Couverts, covered bridges flanked by watchtowers at each end, span the picturesque canals. It was in Strasbourg that John Calvin first established a reformed parish. See remnants of the Reformation in the beautiful Protestant and Catholic Church of St-Pierre-le-Vieux; and see the graceful sandstone Catholic Cathedral of Notre Dame, a Romanesque-Gothic masterpiece that, according to the poet Goethe, rises “like a most sublime, wide-arching tree of God.”

In the Petite-France district, the historic millers’, tanners’ and fishermen’s quarter along the Ill River, the fairy-tale look of a past era lives on, while nearby, 27 nations engage in the daily discourse of the European Union Parliament. Enjoy lunch aboard ship. The afternoon is free for independent pursuits. This evening, attend the Captain’s Farewell Dinner.

**Basel, Switzerland/ Berne/Interlaken/Zermatt**  
**Day 7**  
Disembark in Basel and enjoy a scenic transfer across the rolling Swiss countryside to Berne, Switzerland’s historic capital. Visit the Old Town, a UNESCO World Heritage site and beautifully preserved medieval gem noted for its arced sidewalks. Have lunch in a traditional Bernese restaurant. Continue on through one of the most beautiful areas of Switzerland, the spectacular Bernese Oberland, traveling from subtropical lowlands to the snow-crowned heights of the Alps. Admire its impressive natural treasures, including soaring jagged peaks.
rolling green hills, crystal-clear glacial lakes and densely wooded forests.

Stop in the charming resort town of Interlaken, located between Lake Thun and Lake Brienz. Here, you will find the perfect vantage point for admiring the towering Jungfrau, an imposing summit in the Bernese Alps known as the “Top of Europe.”

Then, enjoy a scenic motorcoach transfer to the Alpine resort of Zermatt, dramatically located beneath the pinnacle of the iconic Matterhorn. Check into the chalet-style HOTEL ALEX and enjoy dinner in the hotel.

**Zermatt**

**Day 8**

Today, travel aboard the famous Gornergrat Bahn, the highest cog railway in Europe. Ascend through forests of pine and larch and cross meadows ablaze with wildflowers to the 10,000-foot-high Gornergrat. From the observatory atop the Gornergrat, look out over sweeping vistas of Europe’s most breathtaking Alpine scenery—the serrated profiles of the Matterhorn, the Liskamm and Dufourspitze mountains and vast Gorner Glacier. Return to Zermatt at your leisure, with the option to stop en route at Riffelberg for the panoramic view of Monte Rosa and the majestic Matterhorn. Enjoy dinner in the hotel tonight.

**Zermatt/Andermatt/Lucerne**

**Day 9**

Relax during a scenic transfer from Zermatt to Andermatt aboard the fabled Glacier Express, “the world’s slowest fast train.” Travel through the heart of the Alps, where the natural beauty of the mountains rivals the skill and ingenuity of the engineers who created this rail route across Europe’s most challenging terrain—requiring the construction of 291 bridges and 91 tunnels. Lunch is included in Andermatt before transferring to Lucerne.

Arrive in Lucerne and check into the lakeside, deluxe HOTEL SCHWEIZERHOF LUCERNE. The remainder of the afternoon and evening is at leisure.

**Lucerne**

**Day 10**

A long-favored destination of travelers, Lucerne is set against the backdrop of its deep blue lake and the rugged grandeur of Mounts Pilatus and Rigi. Begin your morning walking tour in the Weinmarkt (wine market), surrounded by historic burghers’ houses. See the Hofkirche (Court Church), one of the finest examples of German Renaissance architecture, and the Lion Monument, dedicated to the Swiss Guards who gave their lives defending Louis XVI during the French Revolution. Walk across Lucerne’s most famous landmark, the delightful, 14th-century wooden Chapel Bridge, which spans the Reuss River and is adorned with 17th-century paintings. Ascend Mount Pilatus by panoramic gondola to its 7000-foot summit for a magnificent 360-degree panorama of central Switzerland’s mountains, peaks, forests and lakes. Enjoy lunch in a summit restaurant followed by free time. Board the Pilatus Railway, the world’s steepest cogwheel railway, then descend more than 5300 feet in less than three miles on return to the shores of Lake Lucerne, where you will enjoy a scenic lake cruise. The Farewell Reception will be in the hotel tonight.

Cruise beautiful Lake Lucerne and enjoy picturesque views of its fjord-like landscape, Mounts Pilatus and Rigi in the distance and its four surrounding cantons of Lucerne, Schwyz, Unterwalden and Uri.
Lucerne/Zurich/U.S.

Legends of Engineering

Legendary Railways of the Swiss Alps

Awesome. Breathtaking. Dynamic. Superlatives that describe not only Switzerland’s majestic 14,000-foot-high mountain peaks, flowing streams, cavernous gorges and crystalline glaciers, but also three of the world’s great cogwheel railways—the panoramic Glacier Express, the scenic Gornergrat Bahn and the dramatic Pilatus Railway—and the ingenuity and engineering achievements it took to create them. Appreciate the visionary work and vast scope of these magnificent railways as you experience the sublime majesty of the iconic Alps from incredible, up-close perspectives.

The Gornergrat Bahn is Switzerland’s oldest electrified cog railway, in operation since 1898. In the brief span of five miles, you will climb 4868 feet from Zermatt to the lofty Gornergrat. En route, look for stunning views of the great Matterhorn, hanging glaciers and the robin’s-egg blue waters of mountain lakes. Lucerne’s Pilatus Railway, completed in 1889, offers breathtaking bird’s-eye views of Swiss farms and coniferous forests along its three-mile run from the shores of Lake Lucerne to the summit of Mount Pilatus. Its vertical ascent of 5364 feet over a grade as steep as 48 percent is highlighted by its stunning 360-degree views.

No feat required greater skill and determination than the laying of the track for the Glacier Express (1930) across the spine of the towering Alps. Enjoy this spectacular and leisurely journey showcasing unmatched views of the Swiss countryside: weathered chalets and mountainside farming hamlets, picturesque trails dotted with hikers, livestock grazing on green grasses, and ice-blue, snow-capped mountains. A true engineering marvel, the railway penetrates the mountain barrier separating the cantons of Valais and Uri through the nine-and-one-half-mile-long Furka Tunnel and crosses arched stone bridges that span the tumbling headwaters of the Rhine and Rhône Rivers.
