Southwest National Parks

11 DAYS OF AMERICA’S NATURAL WONDERS

Southwest

Dear Alumni and Friends,

I am pleased to invite you on a journey to the national parks and monuments of the Southwest. View rich formations and luminous landscapes that must be seen to be believed at reserves including Monument Valley, Bryce Canyon, Zion National Park, Dead Horse Point State Park, Canyonlands National Park, and Arches National Park. Reflect at the rim of the Grand Canyon, and admire the beauty of light striking Antelope Canyon’s narrow sandstone walls. Share a peaceful evening with Navajo storytelling, and ponder cultures past and present at a petroglyph site during a river raft ride down the Colorado River. With the guidance of two expert Orbridge Expedition Leaders and the comforts of a private motor coach, there is no better way to visit our national parks.

Our rates for Johns Hopkins guests on this departure represent a significant savings (more than $600 per couple) over that of non-affiliated guests, so be certain to reserve your spot today—and to share this brochure with friends who may be interested in traveling with you! You may reserve online at http://jhu.orbridge.com, by phone at (866) 639-0079, or by returning the enclosed reservation form.

Warm regards,
