**SWISS WINE**

Switzerland is known for its traditional wines, which are produced from a variety of grape varieties. Some of the most popular wines include Riesling, Chardonnay, and Pinot Noir. The country's unsung pleasures. The only way to truly experience Switzerland is to taste the delicate white wines or richer reds, which are produced from a variety of grape varieties.
SWISS WINE

Enjoy a tasting of Swiss wine, followed by a wine excursion to the Château d’Yvorne in Vaud. The wine region of Vaud produces a range of red, white, and sparkling wines, with the most famous being the Chasselas grape, used to make the appellation of Swiss sparkling wine. The region is known for its vineyards on the steep slopes of the Jura Mountains and the Lake Geneva region, and the wine produced here is unique and distinct from elsewhere in Switzerland. During the wine excursion, you will learn about the history and techniques involved in producing Swiss wine, and enjoy a tasting of the different varietals, including Chasselas, Pinot Noir, and Gamay. The tour will take you through picturesque vineyards and wineries, giving you an up-close view of the grapevines and the art of wine making. By the end of the day, you will have a better understanding of the Swiss wine region, its history, and its unique characteristics, and a greater appreciation for the wines produced in this beautiful region.
**Program Highlights**

- **Swiss Wine**: Enjoy the backdrop of vine-covered slopes and learn about Switzerland’s famous native varietals at the country’s wine museum. Situated between four countries known collectively as the “Four-Country Corner,” Switzerland is nestled in the heart of Europe, a land of four languages, four cantons, four cultures, and forty mountain peaks. The country’s unique stance on neutrality, longstanding economic stability, and high standards of living have contributed to its enviable reputation as a landing ground for a diverse array of international investors. The country’s drive for innovation and quality in its products is evident in industries such as watchmaking, pharmaceuticals, luxury goods, and high-speed trains. Today, Switzerland’s economy is one of the most developed in the world, with a per capita GDP that is among the highest in the world.

- **Swiss Alps**: Discover Switzerland by train, bus, boat and on foot.

- **Swiss Cable Cars**: Take the scenic lift to the resort town of Grindelwald, nestling in the shadow of the breathtaking Jungfrau. The view is simply breathtaking; the valley below is an unending canvas of fields and forests, and the surrounding mountains are a testament to timelessness. The train ride to Lauterbrunnen and the cable car to Grutschalp, overlooking the falls, are both highlights of this mountain setting. The village of Grindelwald itself is an idyllic mix of old world charm and modern amenities, with a variety of options for dining and shopping.

- **Swiss Lakes**: Enjoy a guided walking tour of the Old Town of Lucerne, the capital of Switzerland and a UNESCO World Heritage Site. The city is a treasure trove of architectural wonders, including the Chapel Bridge, the Kornhausbrücke, and the medieval city gates. The Swiss Lake District is a popular destination for nature lovers, with its clear waters, pristine beaches, and lush green landscapes. The town of Villars, with its scenic views of the Swiss Alps and the Lake Geneva region, is another popular attraction. Feel rejuvenated in the spa town of Meiringen, situated on the French side of the lake. The hills and surrounding vine-laden slopes offer a unique setting for hiking and other outdoor activities.

- **Swiss Gourmet**: In the evening, enjoy a wine tasting and a dinner at the Alpin Sherpa Hotel, featuring an elegantly decorated interior, cozy ambience, and friendly staff. Relax in the elegant lounge or enjoy a drink on the hotel’s terrace under a blue sky. The hotel offers a variety of dining options, including traditional wood-fired Swiss dishes and an array of international cuisine.

- **Swiss Rockies**: Discover the majestic Alpine setting of your home base, and behold the breathtaking views of the Jungfrau, Mönch and Eiger. The Swiss Alps, with their snow-capped peaks and crystal-clear lakes, provide a stunning backdrop for hiking and other outdoor activities. The local customs and traditions are an integral part of the mountain lifestyle, with a strong emphasis on sustainability and respect for the natural environment.

- **Swiss Heritage**: Visit the medieval Château de Chillon, the inspiration for Lord Byron’s epic poem, “The Prisoner of Chillon.” The castle sits on an island in the middle of Lake Geneva and is known for its historic and romantic atmosphere. The city of Geneva is a hub of international diplomacy, hosting a number of important organizations and institutions. Enjoy a stroll through the Old Town, with its cobblestone streets and slender spires, and take in the sights and sounds of this charming city.

- **Swiss Wine**: Enjoy the backdrop of vine-covered slopes and learn about Switzerland’s famous native varietals at the country’s wine museum. Dear Johns Hopkins Alumni and Friends,

Our Land Programs office has been actively recruiting groups to participate in the landmark 2015 Land Program to Switzerland. The Land Program is a great opportunity to explore and discover the wonderful country of Switzerland.

The program will include visits to some of Switzerland’s most popular cities, such as Lucerne, Zürich, and Meiringen. Participants will have the opportunity to see the Château de Chillon, take a boat ride on Lake Geneva, and enjoy the scenic views of the Swiss Alps.

In addition to the Land Program, there are also opportunities to participate in a special trip to Geneva, which includes visits to the United Nations Office and the Palais des Nations.

If you’re interested in learning more about the Land Program or the special trip to Geneva, please contact us at 800-JHU-5995 or email us at info@ahi-travel.com. We look forward to welcoming you to Switzerland in 2015!

Sincerely,

Marguerite Jones
Alumni Travel Director
