IN THE ITALIAN LAKES • VENICE
LAKE COMO • LAKE MAGGIORE
MAY 5 TO 13, 2016
Dear Alumni & Friends:

Northern Italy’s fabled Lake District and the magnificent city of Venice, a UNESCO World Heritage site, have long been high on the list of the most captivating destinations in the world. TOWN & COUNTRY LIFE® IN THE ITALIAN LAKES AND VENICE highlights the parallels and contrasts between Lombardy and Veneto, from Lake Como and Lake Maggiore’s unique setting of glacial waters, Alpine peaks, subtropical climate, ancient towns painted in hues of terra cotta and ochre, and distinctly bella figura Italian style to the rich history and beautifully picturesque setting of Venice. Explore the allure of these two regions that have inspired poets, composers, musicians, artists and philosophers for centuries.

Join this small group of alumni travelers at the best time of year for a one-of-a-kind, eight-day soggiorno, a wonderful way to experience the true essence of life in the beautiful and charming region of Lombardy, featuring the quintessentially Italian Lago di Como, and the impossibly picturesque Venice. Our carefully designed, expert-guided excursions explore the artistic and architectural treasures commissioned by Roman patricians, medieval lords and Renaissance princes at a relaxed pace, while enriching presentations and the exclusive TOWN & COUNTRY LIFE FORUM®, featuring local residents, provide you with personal perspectives on Lombardy’s cultural heritage and contemporary life. You will have opportunities to taste northern Italy’s acclaimed cuisine and Prosecco and learn basic Italian phrases, making your visits to Como’s lively market all the more enjoyable.

Your accommodations will be in the historic center of ancient Cernobbio in the charming HOTEL REGINA OLGA, overlooking stunning Lake Como, and in the heart of captivating Venice in the classically Italian HOTEL BONVECCHIATI, ideally located just a short walk away from the glorious Piazza San Marco.

TOWN & COUNTRY LIFE® IN THE ITALIAN LAKES AND VENICE is a popular travel program featuring all excursions, specially arranged meals and comfortable accommodations. It is a truly unique opportunity to experience consummate Italian hospitality and daily life in two of Italy’s loveliest settings. I encourage you to book now while Early Booking Savings and space are still available.

- **Enjoy time on your own** to discover and observe the rhythms of daily life in quaint local cafés, open-air markets and along lovely cobblestone streets in the villages of Cernobbio, Stresa, historic Como and the Lake Como jewel of Bellagio; and explore the **sestieri** (six main neighborhoods) of Venice, winding your way through the **calli** (narrow streets) and **sotoportegi** (covered passageways).

Visit the very symbol of Venice in St. Mark’s Square, the Gothic architectural masterpiece Palazzo Ducale, or Doge’s Palace, which houses the magnificent artwork of Titian, Veronese and Tintoretto in its grand interior.
Cernobbio
This delightful village, located at the foot of Mount Bisbino, is the perfect “home” for our soggiorno into the spectacular mountainous Italian countryside. Stroll along Cernobbio’s bustling waterfront. Wander down the village’s narrow medieval strade and amble through its romantic piazzas, lined with handsome buildings painted in the soft, buttery hue seen throughout the Lake District.

Como
Founded by the Romans in 196 B.C., Como has been internationally known for its silk-weaving industry since silkworms were first imported here in the 14th-century and is still today the largest European silk producer—dyeing, weaving and designing fabrics shipped to the fashion houses of Milan, Paris and London. Walk along winding cobblestone passages past medieval towers and walls, Renaissance palaces and churches, neoclassical 19th-century villas and small family-owned negozi (shops) leading to the Piazza Cavour and the tranquil lakeside promenade. During time on your own, explore the fresh fruit and vegetables in the three-times-weekly outdoor market, a local tradition for centuries.
Lago di Como
Composer Franz Liszt romanticized, “When you write the story of two happy lovers, place them on the shores of Lake Como.” Cruise by private boat across the sparkling waters of Italy’s deepest—and perhaps most spectacular—lake. Its allure is enhanced by quaint coastal villages like Bellagio and grand Renaissance villas built on the surrounding snowcapped mountainsides.

Bellagio
Perched on a promontory punctuated by stands of cypress trees, Bellagio is one of the Lake District’s most famous towns and has been a popular European holiday destination since Roman times. In the 18th and 19th centuries, Milanese nobility flocked here to build elaborate villas and cultivate subtropical gardens.

Villa del Balbianello
Just across the lake from Bellagio is the exquisite Villa del Balbianello and its magnificent terraced gardens. Built in 1787 by Cardinal Angelo Maria Durini, this epitome of an Italian lake villa was renovated in the early 20th century by an American veteran of World War I and more recently purchased by Italy’s first explorer to summit Mt. Everest, Guido Monzino, who bequeathed it to the Italian National Trust. It remains an authentic Italian villa masterpiece and repository of 18th-century French and English furniture, and Monzino’s collection of Chinese, pre-Columbian and African art.

Lago Maggiore
Italy’s second-largest lake forms a natural boundary between the regions of Lombardy and Piedmont and is a close rival to Lake Como as the most remarkable in the Lake District. Lake Maggiore’s mild climate allows for the gardens to grow rare and exotic plants in the beautiful landscape beneath the high Alps. Enjoy a private boat cruise across the deep, clear waters that served as inspiration for Flaubert, Wagner and Goethe.

Borromean Islands
Cruise among Lake Maggiore’s enticing islands graced with elegant villas and striking natural beauty. Isola Bella, Isola di San Giovanni, Isola Madre and Isola dei Pescatori are collectively known as the Borromean Islands, named after the powerful and influential Borromeo family. Visit the exquisitely preserved Isola Bella, commissioned by Count Carlo Borromeo III in 1632 as a magnificent Baroque retreat dedicated to his wife, Isabella. Walk through the island’s splendid Italianate gardens, where white peacocks stroll among the seasonal blaze of roses, gardenias, azaleas and rhododendrons. Tour the 17th-century Palazzo Borromeo, filled with priceless masterpieces by such artists as Tiepolo and the sculptor Canova, and see the spectacular grotto, completely decorated with mosaics of marine life.

Stresa
An 18th- and 19th-century “Grand Tour” of Europe was considered incomplete without a visit to Stresa to experience its spectacular mountain views, tropical gardens and the resplendent glistening waters of Lake Maggiore.
A young Ernest Hemingway, recuperating in Stresa during World War I, was inspired to make it the setting for Frederic Henry and Catherine Barkley’s reunion in *A Farewell to Arms.*

**Verona**
The fabled setting for Shakespeare’s *Romeo & Juliet* and a major trading center dating from the time of the Roman Empire, Verona’s opulent architectural and artistic heritage is indicative of its former wealth and unique blend of Roman and medieval cultures and traditions. Enjoy a walking tour to the magnificent 2000-year-old Roman Arena, the third largest such edifice in the world and still among Italy’s preeminent venues for opera and ballet performances. See Juliet Capulet’s famous balcony and Verona’s 12th-century duomo, one of the country’s most impressive Romanesque churches.

**Venice**
An extraordinary architectural masterpiece, from the marble Bridge of Sighs to the Byzantine opulence of St. Mark’s Basilica, the entire city of Venice is constructed upon an amazingly unique archipelago. A UNESCO World Heritage site, this historical center of prosperity and culture is today one of Italy’s premier cities for art and architecture. Admire one of the finest collections of Renaissance art in the world on a specially arranged guided tour of the Gallerie dell’Accademia. View a spectacular selection of 14th- to 18th-century masterpieces by major Italian painters of the Venetian school, including Bellini, Mantegna, Tiziano, Tiepolo and Tintoretto. Tour the Gothic Doge’s Palace, the lavish heart of the former Venetian Empire and, by special arrangement, walk through its rarely seen hidden corridors. Enjoy a private visit to St. Mark’s Torre dell’Orologio, usually closed to the public, and enjoy extraordinary panoramic views across the Venetian landscape from its rooftop terrace. In a private boat, cruise the legendary Grand Canal past traditional Venetian gondolas and the stately 13th- to 18th-century villas and palazzos of Venice’s first families.

**Hotel Regina Olga**
Overlooking Lake Como in the charming village of Cernobbio, the classic 19th-century Hotel Regina Olga combines traditional Italian ambiance with modern amenities, exceptional service and comfortable accommodations. By special arrangement, your room will feature a view of legendary Lake Como. Accommodations have a private bathroom, air conditioning, satellite television, minibar, hair dryer and ample closet space. The elegant Cenobio dining room serves northern Italian cuisine, and the lounge, coffee lounge and cocktail terrace bar provide ideal settings for conversation and refreshments. For your enjoyment, the hotel also offers beautifully landscaped gardens to stroll through, bicycles and an outdoor swimming pool. It is a short water taxi ride to Como and within easy walking distance of trattorias and boutiques.

**Hotel Bonvecchiati**
Located in the heart of Venice just a short walk from the famous Piazza San Marco, the refined elegance of the Hotel Bonvecchiati, set in an 18th-century historic palazzo, provides the perfect base for exploring the romantic city of Venice. With a combination of classic Venetian décor and modern amenities, your stylish, air-conditioned room is equipped with satellite television, minibar, safe, hair dryer and bathrobes. The alfresco Restaurant La Terrazza serves traditional Venetian and international cuisine from its terrace alongside one of the city’s picturesque canals.

For centuries, Italy’s Lake District has seduced hearts, minds and souls, including those of Virgil, Napoleon, Byron, Stendhal, Dickens, Flaubert, Puccini, Toscannini and Hemingway. Long before the Romans annexed the region 2000 years ago and began to build their well-ordered towns, it was settled by Etruscans and invaded by Celts. Following the Middle Ages and Renaissance, nobility built magnificent holiday villas and extraordinary gardens. European aristocrats of the 18th and 19th centuries considered the Italian Lake District an essential stop on their “Grand Tour” of Europe. To this day, the mild climate and extraordinary beauty of snowcapped Alpine peaks descending to serene, deep-blue glacial lakes continue to lure the rich, the famous and international travelers from all walks of life to discover the exquisite gem that is the Italian Lake District.

Enchanting Venice, too, seems to exist for the benefit of artists and writers—Lord Byron called it “a fairy city of the heart,” and Corot, J.M.W. Turner, Shakespeare and Henry James are but a few others that fell under its spell. The essence of “La Serenissima,” one sobriquet for this most serene cityscape, manifests itself in art, culture and life intertwined. You need only walk the labyrinthine streets or glide along the Grand Canal, and you are transported into any number of dreamlike paintings or literary portraits of this improbable floating city.
